2. INTRODUCTION

2.1 The promotion of access to information act (No.2 of 2000), was enacted to give effect to the right of access to information contained in section 32 of the Constitution of the Republic of South Africa, 1996 (Act no 108 of 1996). It was promulgated in order to foster a culture of transparency and accountability in Public bodies and Private bodies.

2.2 The proclamation of the Geoscience Act (Act 100 of 1993) and its Amendment (Act no. 16 of 2010) states that geoscience data and information records the CGS published in the form of maps, documents and databases, is to be made available to stakeholders. This manual informs a requester on how to obtain access to records held by the Council for Geoscience (CGS).

2.3 Section 14 of PAIA act of 2000, requires both public and private bodies to compile manuals that provide information on both the types and categories of records held by such public and private bodies. The CGS is a public body under paragraph (b) (ii) of the definition of “public body” in section 1 of the Act.

2.4 This document serves as the CGS manual with regards to information or records in relation to which the CGS is a public body. It provides reference to the records held and the process that needs to be followed to request access to such records as required by section 14 of PAIA.

2.5 This manual does not replace the act but must be read in conjunction with the act. Sections 34 to 46 of the PAIA act stipulates the grounds for refusing access to information. In considering whether to provide access to information, the CGS must consider grounds for refusing access to information set out in the PAIA.

Section 9 of PAIA also recognises that such right to access to information is subject to certain justifiable limitations including, but not limited to:
- The reasonable protection of privacy
- Commercial confidentiality
- Effective, efficient and good governance

It should further be noted that this manual provides guidance on how requests for personal information should be addressed.

This manual also prescribes the following:

- The grounds upon which such requests could be refused; and
- The remedies available to the requester upon the refusal/failure to obtain the requested information.
2.6 Should you have any difficulty in using this manual, please contact the deputy information officer described in paragraph 5.1.

2.7 Cognisance of the following applicable legislation should be taken into consideration when executing this manual:

- Basic Conditions of Employment Act 75 of 1997
- Geoscience Act 100 of 1993
- Geoscience Amendment Act 16 of 2010
- Employment Equity Act 55 of 1998
- Labour Relations Act 66 of 1995
- Promotion of Access to Information Act 2 of 2000
- Protection of Personal Information Act 4 of 2013
- Public Finance Management Act 1 of 1999

3. MANDATE AND CORE VALUES OF THE COUNCIL FOR GEOSCIENCE

3.1 MANDATE

- To promote the search for, and the exploitation of any minerals in the Republic.
• To study the distribution and nature of mineral resources and geoenvironmental aspects of past, current and future mineral exploitation.

7. REQUEST FOR INFORMATION

7.1 The requester must contact the Deputy Information Officer on info@geoscience.org.za to make a request for access to a record.
7.2 The requester must print the formal request form A, attached hereto as Annexure 1 also available on the CGS webpage, www.geoscience.org.za or at the CGS’s office at the address mentioned in paragraph 5.

7.3 The requester must provide sufficient information on the request form to enable the Deputy Information Officer to identify the records that are being requested.

7.4 The CGS will acknowledge receipt of a request in writing, within fourteen (14) days of receipt thereof, and will advise within thirty (30) days as to whether the information requested is available or accessible and how and where the requester may collect it.

7.6 Should the requester not receive an acknowledgement of receipt in writing within fourteen (14) days, the requester should kindly contact the Deputy Information Officer to ensure that the request has been received.

7.7 The requestor should also indicate if he or she wishes to be informed of the decision about the request in any other manner and state the preferred way of communication and provide the necessary particulars.

7.8 If the request is made on behalf of another person, the proxy requestor must provide a reason and submit proof of the capacity in which he is making the request and provide the CGS with the written consent from the primary requester. This should be done to the reasonable satisfaction of the Deputy Information Officer.

7.9 If the requested information is available and accessible. The Deputy Information Officer shall notify the requestor (other than a personal requestor) by email, requiring the requester to pay the prescribed fee (If any) before further processing the request.

7.10 The Deputy Information officer shall by email, inform third parties within 21 days after the request has been received. The CGS will consider sharing the access to the record, then furnish the name of the requestor to the third party and state to the requester that the third party may within 21 days deny the request or give written consent.

7.11 A requestor whose request for access to a record has been granted must pay access fee to cover the reproduction, searching and preparation of the copies or transactions of the content of the record requested as well as for the time required to search for and prepare the record for disclosure.

7.12 On receipt of the prescribed fee, the CGS will provide the record to the requester in the format that he/she has requested on the request form, or in the format that the record exists in, if the requested format is not available.

7.13 Should the record requested contain information that cannot be shared, the CGS will only share information in the record that can be shared.

7.14 The CGS upon the request for a record that has been made or transferred, may extend the request to 30 days, if it takes longer to provide the information because of the volume or the difficulty to obtain it.
7.15 If a request for access to a record has been refused, delayed or granted subject to unreasonable fees or in an unacceptable form by a paragraph (b) public body, section 78(2) of the act empowers the requester to apply to court of law for appropriate relief within 30 days of the decision.

7.16 If the court of the law orders CGS to grant the requester access to the requested records, the requestor must pay the access fee before access to such records can be granted.

8. REQUEST BY PEOPLE WITH DISABILITIES

8.1 If a requester is unable to read or write, or if he or she has a disability that prevents him or her from completing the prescribed form, then he or she can make a verbal request. The Deputy Information Officer will then complete the form on behalf of the requester and give a copy of the completed form to the requester (Section 18(3)).

8.2 The Information Officer will assist a requester to comply with the abovementioned requirements to request access to information, including referring a requester to another public body, if it is apparent that the request for information should have been made, to such other body (Section 19).

9. FEES PAYABLE

The following fees have been prescribed in the act and must be paid by a requester before the CGS contact persons can make any records available to the requestor.

9.2 Access fee – If the request is granted, then an access fee must be paid for the reproduction of records and for time in excess of one hour to search and prepare the records for disclosure. Where the time to prepare the records for disclosure is likely to exceed six hours, a deposit of one third of the anticipated access fee may be required as a deposit.
• The Deputy Information Officer must notify the requester by relevant means, requiring the requester to pay the prescribed fee (if any) before further processing the request.
• The request fee payable to public bodies is R35.
• After the Deputy Information Officer has made a decision on the request, the requester must be notified of such decision in the manner requested by the requester.
